

## 2018 CHRISTMAS PARADE MAJOR CHANGES IN PARADE ROUTE

**Saturday November 17, 2018**

**Line Up: 8:30am**

All students, siblings, friends and parents are invited to participate in the Concord Christmas Parade on Saturday, November 17. Line up is at 8:30 am at Community Bridges (formerly Sprague Electric), located at 70 Pembroke Road in Concord. Please plan ahead, there can be a lot of traffic getting to the meeting place. We are located away from the other parade entries for safety reasons. The parade begins at 9:00. Saturday classes will be held as usual on this day.

We will be marching from 70 Pembroke Road to Hazen Drive (down Loudon Road). The parade route will end at the DMV. We are unable to unload anyone from the vehicles along the parade route for safety reasons. The float is reserved for the little ones (ages 7 and under) to ride on. All children on the float **MUST** be accompanied by an adult for supervision.

All students who march **MUST** be picked up in the parking lot at the Department of Motor Vehicles on Hazen Drive. We need a minimum of four parent volunteers to **MARCH** with our group and then wait with them at the DMV parking lot for their pick-up. We appreciate all help in assisting with this part of the parade.

In order to present ourselves in an organized way, we are asking everyone to wear:

- Concord Dance Academy blue jacket, if you have one. If not, any black CDA t-shirt over **warm clothing** will also be acceptable. We have CDA black t-shirts available for \$3 in the office
- Red Santa hat
- Black pants (yoga pants, leggings, sweat pants, hip hop pants)
- Red stretchy \$1 gloves

(We believe Wal-Mart and the Dollar Store sell Santa hats, and gloves.)

**Please note:** The senior kickline will perform in front of the Judges Stand, located in front of Granite State Glass.

Please contact Celeste in the office for more information (226-0200).

We need 10 volunteers to come at 8:00 AM with staple guns to help decorate the float - in addition to the Pre Comp F and Comp E parents.

This is going to be so much fun! We hope everyone will join us!
