

## 2022 – 2023 Monthly Tuition Chart (Competition Program)

This is the tuition chart for the 2022-2023 school year (September 2022 – May 2023). This is a monthly per-class charge, regardless of class length. **30 min/60 min/90 min are all charged the same rate.**

The "first student" in the family is the student enrolled in the most classes. This student is charged the first student rate. Any additional family members living in the same household enrolled in equal or fewer classes is charged the "additional student rate".

**Monthly Tuition is due the 1st of the month.** Families will receive a monthly tuition statement, which can also be viewed at any time by logging into your Studio Director account. Please remember to pay your monthly tuition on time. If tuition is not paid by the 5th of the month, your account will be charged a \$30 late fee or 10% of balance due, whichever is greater.

### COSTUME PRICES

Costume prices will range from \$100 - \$150. On rare occasions, some may be more, some may be less. The costume total will include and accessories, headpieces, tights and any props.

### COMPETITION FEES

Based on last year's rates, comp fees range in price from \$45 - \$50 for groups, \$60-\$100 per dancer for duos and trios and \$100-\$150 for solos.

*\*These rates are subject to change.*

Please remember all students must take ballet and jazz technique classes. In addition, each subject in which you compete must also have a technique class associated with it. (i.e.: Lyrical, tap, hip-hop)
