

2025 – 2026 Monthly Tuition Chart (Recreational program)

This is the tuition chart for the 2025-2026 school year (September '25 – May '26). This is a monthly per-class charge, regardless of the number of classes held in each month. There are no refunds for absences due to illness or vacation, as well as inclement weather, which cancels a class session. Students may contact the office to find a make-up class within our schedule of offerings.

The "first student" in the family is the student enrolled in the most classes. This student is charged the first student rate. Any additional family members living in the same household enrolled in equal or fewer classes are charged the "additional student rate".

Monthly Tuition is due the 1st of the month. Families will receive a monthly tuition statement, which can also be viewed at any time by logging into your Studio Director account. Please remember to pay your monthly tuition on time. Automatic payment, credit card (with a service fee) or cash may be used for payments. If tuition is not paid on the 1st of the month, your account will be charged a \$30 late fee or 10% of balance due, whichever is greater.
